The greatest single collection of the wonders of the world now beckon you to come. In this land of sunshine, under California skies, will be seen the marvels of the far East side by side with the wonders of the West. The Big Fair covers an area of 635 acres, backed by Wooded Heights, flanked by the fortifications of the Presidio on the beautiful Island studded Bay of the Famous Golden Gate.

**WILL YOU, BY REASON OF A LITTLE EXERTION NOW, BE OUR GUEST AND SEE ALL THIS AND MORE AT OUR EXPENSE.**

## Dream of Ages Fulfilled.

The plan of digging a Canal across Panama has been in the minds of men for ages. After the failure by the French Company, the work was taken over by the United States Government and is at last completed. The celebration of this leveling of mountains, this chaining of Rivers and making a pathway for the nations from ocean to ocean is of national importance.

The whole Bay Region, where the Panama Exposition is being held, is a Play ground unsurpassed. Besides the greatest Fair since the beginning of time, there are FASCINATING TRIPS OVER THE SMOOTH WATERS OF THE BAY TO GREEN CLAD ISLANDS, THE NAVY YARD, THE HOME OF THE SEALS AND UP THE INLAND RIVERS.

You can visit all these scenes and more too, FREE OF COST. A little energy and activity will enable you to secure the vacation of a life time AT OUR EXPENSE.
